Utility Procurement Plans

16. Please provide all documents and analysis you performed to determine that your procurement plan will meet the needs identified in (15) above.

SDG&E Response:

SDG&E has cited in its Business Plan all documents it has reviewed and analysis it has performed, to date, to determine that its procurement plan meets its portfolio needs. In addition, as stated in the Q14 response, SDG&E expects that there will be PRG/IE input before the final procurement plan and solicitations are released that will also help in ensuring that the procurement plan meets the portfolio needs,
